## Indoor Baseball To Hold Stage During January

No Games Will Be Postponed on Account of Wet Grounds—Three Leagues Will Hold Interest Among Lovers of the Indoor Game—Palama Teams Show Unusual Strength and Lead Both Senior and Junior Leagues

Senior League.		W. L.

Palama	3	2
Kauluwa	2	3
Beretania	1	4
Kalihi	0	5

The first half of the season's indoor baseball championship is finished and the teams of the three leagues are now headed down the back stretch. In the Senior League the final outcome is certain with Palama a sure winner because they have the best team individually and collectively. They also have a team that plays inside ball and their team work would be hard to beat. In the Junior League Palama is also leading but they have had no easy time of it and their most important games will be played on their opponents' floors which means that they are not at all certain of the championship although now leading.

In the Midget League the N. A. C. team is in the lead and the team that wins must beat them for they are up to the present the class of their division. Both Kakaako and Palama have good teams but both of these clubs are far outclassed by the N. A. C. in the battery line. The N. A. C. club is an offshoot of the Star-Bulletin club and was organized when the growth of the Bulletin club became such that a division seemed wise inasmuch as the smaller boys were not getting a chance to play.

Tomorrow night at Palama the Palama and Kaimuki Senior teams will play off a postponed game from the first series; the game to start at 7:30 p. m. On Saturday night, January 1 the Beretania and Palama play the first game of the second series of the Junior League.

## JIM COFFEY TO MEET MORAN IN NEW YORK SOON

Red Watson Gets in Bad With Fight Fans of Sydney, Australia

Frank Moran will give Jim Coffey, the "Dublin Giant," another chance on January 7 in Madison Square Garden, New York. This item with the defeat of Willie Ritchie and the sad showing of Ad Wolgast recently, tops the news in the fight department on the mainland, and with Jack Kearns returning to the mainland sans Les Darcy, who twice defeated Eddie McGorty, the topic of importance turns at once to the Moran-Coffey bout.

Many fight followers in Honolulu believe that Fulton was shunted ahead of Moran and Coffey, and there are many who believe that Coffey will be returned the winner when he meets the Pittsburgh man in Gotham. Coffey has made good in most of his fights, and should he win from Moran would be a logical man to send against the winner of the Willard-Fulton go, which is booked for March 4 in the Crescent City.

**Red Watson in Bad.**  
Fight fans returning from Sydney on the Sonoma state that "Red" Watson is in bad in Australia. They tell how Red was scheduled to box at 142, and when he showed up at the ring one hour before the fight he weighed in at 156. He had been training around a booze can.  
Fight fans will remember the work of Watson around San Francisco, and the titian topped ring artist had many followers, but he would want to turn from the straight and narrow, but finally was induced to cut out the bar training. Evidently Watson has been falling back in his old ways, which will be regretted by many, as there are many decent boys in the ring who would give a heap to have Watson's right punch.

## Fair Sex Will Smash Timbers On New Years

Saturday evening, which is New Year's Night, the Y. M. C. A. bowling alleys will be thrown open to ladies as well as men. This will be in connection with the New Years open house at the association.

Mrs. William Knott, who holds the feminine alley record, has offered to play any lady in the city, giving a handicap of 25 to her opponent in each game. It is expected that there will be regular informal matches and bowling "just for fun" with little regard for score among the ladies who want to try the alleys Saturday evening.

Some of the league bowlers will be on hand to give pointers and keep score for all ladies who want to roll. The alleys will be thus thrown open from 6 until 10:30. It will be possible to bowl both before and after the cafeteria dinner and throughout the evening.  
**Club Teams to Bowl.**  
Tomorrow evening at 6:45 the XX Club and Knights of Kamehameha will stage their intermediate league bowling match. Three men will represent each of the clubs and play should end about 8 o'clock.  
The novice tournament and H. A. C. tourney are going on all this week and many of the league bowlers are going after the prizes offered for 225 scores and high game of the month.

Directors of the Stock Yards Savings Bank of Chicago declared a quarterly dividend of 2 per cent.

## NEW MANAGER OF PIRATES

Jimmy Callahan, one of the best known men in baseball today will take the place made vacant by the resignation of Fred Clarke, the Pittsburgh manager for many years. Callahan, as a pitcher and outfielder, was a star in his day, and has always been popular with the fans. Jimmy recently was named a manager of the Los Angeles Club, but secured his release to take the helm in the Smoky City.

## TED LEWIS OUTPOINTS WILLIE RITCHIE IN 10 ROUNDS IN GOTHAM

[Associated Press by Federal Wireless]  
NEW YORK, Dec. 29.—Ted Lewis, the English boy who has been making a hit in this city, outpointed Willie Ritchie in nine out of ten rounds here last night. Lewis proved to be the aggressor and had the fight fans guessing throughout, many believing that the Englishman would send the Californian down for the count before the tenth round.

## YALE OFFERS EARLY GAME TO INDIANA NEXT FALL

BLOOMINGTON, Ind.—Indiana can have a football game with Yale next year if it is desired by the Hoosier athletic board. Coach C. C. Childs, who is working on the schedule, announced that Yale is willing to take on Indiana at New Haven and that he secured the game after working two years on the proposition. Childs played guard on the team of "Old Eli" two years. The game, if arranged, will be played early in the season.

## 25TH INFANTRY LEADS LEAGUE IN BASE HITS

Schofield Team Bats 306 for Year; Saints Ahead in Fielding

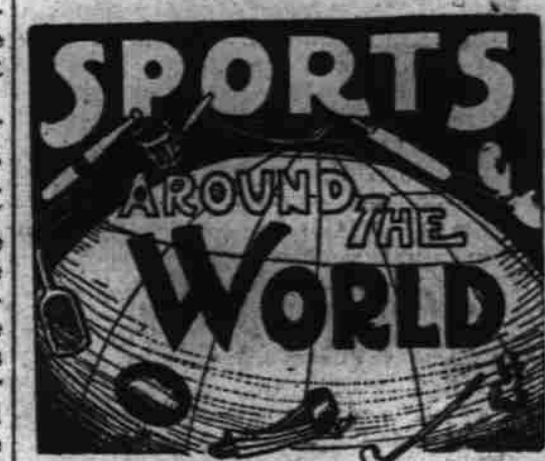

OAHU LEAGUE STANDING.				
	W. L.	Pct.	Av.	Av.
Chinese	4	0	1.000	.256
Portuguese	3	2	.600	.198
25th Inf.	3	3	.500	.306
All-Army	2	2	.500	.202
St. Louis	1	5	.167	.183

Although the 25th Infantry baseball team hit for an average of .306 during the Oahu League series, they failed to land better than a tie for third in the race for honors, being headed by the Chinese and Portuguese aggregations. Figures for the year show that while the 25th lead the field with the bat they fell down in the defensive game, and their fielding average for the season was the lowest of all.

The old saying of "The last shall be first, etc." comes out once more, as the St. Louis team, which finished last in hitting was the leader in fielding with an average of .932. The Chinese team showed consistent work in the field as well as at the bat, and their games were marked with close victories, demonstrating to the fans the type of ball they were capable of playing in the pinch.

Figures for the year give Apau a small lead over the other third sackers in the fielding line, although he did not participate in as many games. Dunsford led the short fielders who played in more than three games, and Van Dyke had the best record for the second basemen. Albert Akana led the first sackers in fielding with a clean slate in 64 chances.  
Frank Akana, Ed Sue, Grafton, Goliath, Nye, Costa, Dixon and Holcomb finished the year without an error chalked up in the outfield. Hoon Ki was the leading fielding pitcher, with "Blondy" Williams a close second. Kan Yen, who leads the league in hitting, handled 38 chances without a slip, and topped the catchers of the league. Franco and Simao had clean records behind the plate.

Many of the star players of the Oahu League will be seen in action on Saturday afternoon, weather permitting, when the Punahou squad meets the Chinese All-Stars at Athletic Park. Kan Yen, who leads the league in hitting, will play with the Chinese aggregation, while Lang Akana will be with the Punahou and En Sue with the All-Stars. This game should bring out a banner crowd providing the weather conditions are satisfactory.

It will be observed that the Federal League and General Villa threw up the sponge at the same time. Thus history is made.

Heinie Groh says he won't play with Cincinnati so long as Herzog is manager, and repeats it. Herzog says he can't understand Groh, for he supposed they were friends.

Eddie Burns, although many fans are ignorant of the fact, is one of the richest baseball players in the country today. He inherited a couple hundred thousand dollars from his family, who were wealthy people and lived in Oakland.

Christy Mathewson is authority for the statement that McGraw fined Marquard \$25 for making a base hit once. It was a hot day in Chicago, and a tight game to boot. McGraw ordered Marquard to strike out in order to save himself. Purposely the Cubs gave Rube a groove ball. Rube could not resist the temptation, took his swing, got his hit, ran his head off on the bases, and lost his game by a big score. McGraw was so mad that he plastered Rube with a fine. There are not many cases on record where a player has been penalized for hitting the ball.

## ENGINEER AND SON DIE WHEN TRAINS COLLIDE

STOCKTON, Cal.—William Wing, a Santa Fe passenger engineer, and his son, William Wing, a freight train fireman, were killed here when their respective trains crashed together. The engineer of the freight train and the fireman on the passenger engine jumped in time to escape injury. Many passengers were shaken up, but none was injured.

## Callahan Goes To Pirates In Time of Peace

Jimmie Callahan jumped back to the majors just in time. The former White Sox boss and the Logan Square manager landed with the Pittsburgh Pirates a few days before the dove of peace hovered over the baseball world. Peace leas was brought to Honolulu first by John Gansel, who stated in an article published in the Honolulu Star-Bulletin that peace was sure to come.

Callahan agreed to manage the Los Angeles club for President Johnny Powers, and then Dreyfuss got busy. He stated that he would have a man whose name ended in an "n." The fans guessed Jack Dunn and many others, and Callahan was not thought of. Then came the peace proposition once more. Callahan had consented to manage the Angels next year, and when the job of Pittsburgh manager was offered him, he hotfooted to the coast to confer with Powers, and the Los Angeles magnate finally released him.

**Part Owner.**  
Callahan will be manager of the Smoky City team, and will also have an opportunity of buying a one-third interest in the Pittsburgh club. Callahan has many friends in baseball and the fans throughout the country will welcome the news of the appointment of the former White Sox star.

The new manager of the Pirates has enjoyed a long career in baseball. He was born March 15, 1874, at Fitchburg, Mass. His first important engagement after semipro experience was with the Philadelphia Nationals in 1894, but he was not given a chance by Manager Irwin. Successively he pitched for the Springfield Eastern league team in 1895 and the Kansas City Western league aggregation in 1896, from which he was bought by the Chicago Nationals in 1897 and almost at once attained prominence.

**Pal of Bill Lange.**  
Callahan was a pal of Big Bill Lange, at that time in the height of his fame, and remained with the west side team until 1901, when he stepped to the budding American league as a member of Comiskey's White Sox, along with his teammates, Clark Griffith, now Washington manager, Danny Green, and Sandow Mertes.

Callahan acted as manager of the White Sox in 1903 and part of 1904, being succeeded by Fielder Jones. For five years he was manager and owner of the Logan Squares of Chicago, a semipro club which attained a national reputation. With the decline of semipro ball he offered his services to Owner Comiskey of the White Sox in 1911 and was accepted. He succeeded Hugh Duffy as manager following the season of 1911 and acted as manager for the seasons of 1912, 1913 and 1914. He was succeeded by Clarence Rowland, retaining his club connection as confidential man for Owner Comiskey.

## "Dark Horse" Has Enough One Night

James Edward Britt, the Beau Brummel of the ring, wasn't always as peaceful a citizen as he is today.

When James was young he was a wildcat in the ring, and was never once beaten. He tore through the amateur championships in the Olympic Club of Frisco the way a torpedo would scatter a big cheese.

In the last tournament that James entered was a large German boy by the name of Fred Bell. This hick was the "dark horse" of the lightweight class, and drew Britt for his opponent on the first night.

James was told of the "dark horse" and prepared to give him the time of his young life.

When the bell rang for the first round of that quarrel Britt and Bell tore into each other like wolves. It was nip and tuck, take your pick, and the crowd went wild with excitement. The bell clanged with honors even.

In the second Britt had an edge, and proceeded to belt the Teuton rival within an inch of his life. James dropped his man with a belt in the lurch wagon, and as the latter rose followed him around the ring working both hands like flails.

Bell suddenly stopped and, going to his corner, walked right out of the ring. One of his seconds stopped him and inquired if he wasn't going to fight any more.

"Yes," growled Bell, "I'm going to fight some more, BUT NOT ANY MORE TONIGHT!"

Louisshkin, the giant Russian drum-major of the Imperial Guards, was eight feet five inches high.

Cane furniture for the garden and house is popular in Italy, and is made largely there from cane imported from the East.

thing of history. The minors suffered quite as much as the more powerful bodies, for the high cost of baseball affected them to such an extent that some had to go out of business and more were on the verge of following in their footsteps. With the war over everything will be different. Baseball will return to a common-sense basis. Salaries will come down, and they should. Managers should not be expected to pay out more money than is coming in through the gates.

## FRANK BENSON TOPS BOWLERS IN 'Y' LEAGUE

Seven Men Have Average of More Than 170 For Year 1915

Official averages of the Y. M. C. A. bowling league at the close of the last 1915 match show Frank Benson of the Cosmos to be high man with 180.10. George Reed, the Service star, dropped into second place with his slump of the past week and now has an average of 179.33.

Mosley of the Service is third with 175.33 and shares with Benson and Reed the honor of having led the league in averages during the fall. W. A. Raseman is the possessor of a 175.13 average, and Capt. J. C. Chamberlin, also of the Colts, is fifth with 173.70.

Henry White and C. C. Clark are the other men averaging over 170, the latter leading the Honolulu with 173.17. O. P. Soares is the P. B. C. best, with John Gomes close up as the result of his big average Monday. Wikander and Canario lead the Nationals.
